Re: LVRT Management Plan

Dear Ms. Brassard and Mr. Watson:

This letter is to let you know that I generally support the comments submitted to you by Kate Scarlott and Rob MacLeod concerning the management plan. Please keep in mind that the majority of the trail users will not be snowmobilers and therefore the primary focus of the management plan should be directed to non-motorized users. In particular, it doesn't make any sense to have VASA representatives on the LVRTC. Please consider appointing a representative of a non-motorized user group such as the Vermont Bicycle and Pedestrian Coalition. Thank you for your consideration of my comments.

Sincerely,

David Polow
